Families crossing poverty line under IRDP

740. SHRI AJIT P. K. JOGI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the figures reported by the various State Governments in the recent past in regard to the actual number of families rising above the poverty line subsequent to the Integrated Rural Development Programme assistance, had been found to be grossly exaggerated;

(b) if so, whether Government propose to undertake an indepth study and survey by independent agencies to ascertain the actual benefit accruing from IRDP;

(c) whether Government have examined the findings of Shri B. N. Pandey's report to Orissa Government in this connection in which it was found that only sixteen per cent beneficiaries had actually crossed the poverty line; and

(d) what remedial measures are proposed to be taken in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF RURAL DEVELOPMENT IN THE MINISTRY OF AGRICULTURE (SHRI RAMANAND YADAV): (a) and (b) As crossing of the poverty line by a family is a gradual and continuing process, the collection of figures referred in part (a) of the question is not included as one of the items in the regular monitoring exercise of the Central Government. However, recently the Government have started a Concurrent Evaluation study of Integrated Rural Development Programme (IRDP) through a number of reputed research institutions. As per the findings of the survey for the period October-85 to September-86 in about 52% cases old beneficiaries have crossed the poverty line of Rs. 3,500/- and about 12% of old beneficiaries have crossed the revised poverty line of Rs. 6400.

(c) and (d) The Government is aware of the review made by Shri B. N. Pandey that 16% of the beneficaries only in Ganjam District in Orissa have crossed the poverty line. The Centre had requested the Orissa Government to comment on the findings of Shri B. N. Pandey's review. The State Government has indicated that in Ganjam District, as per the result of the Concurrent Evaluation of IRDP, 30% of assisted beneficiaries had crossed the poverty line of Rs. 3500.

A corrective measure recommended in Shri B. N. Pandey's review pertain to conducting a comprehensive study of the impact of IRDP and its limitations by an independent and technically competent agency. Accordingly, the State Government has entrusted an evaluation study of IRDP in Ganjam District to the Prof. and Head of the Department of Economics, Khallikote College, Berhampur.
